Mrs Mannix

I hope you will remember me when you leave to wherever. I really enjoyed having you for a teacher; even though I may not have ~~should~~ showed it. and I'm sorry for the time I called you "crazy" and all the other things I did to you Because you ~~don~~ didn't really deserve it, and it was really my fault. Anyway! I wish you good luck wherever you go. and hope that things will always be good for you.

Your friend always,
J Ronald Anthony Ruiz

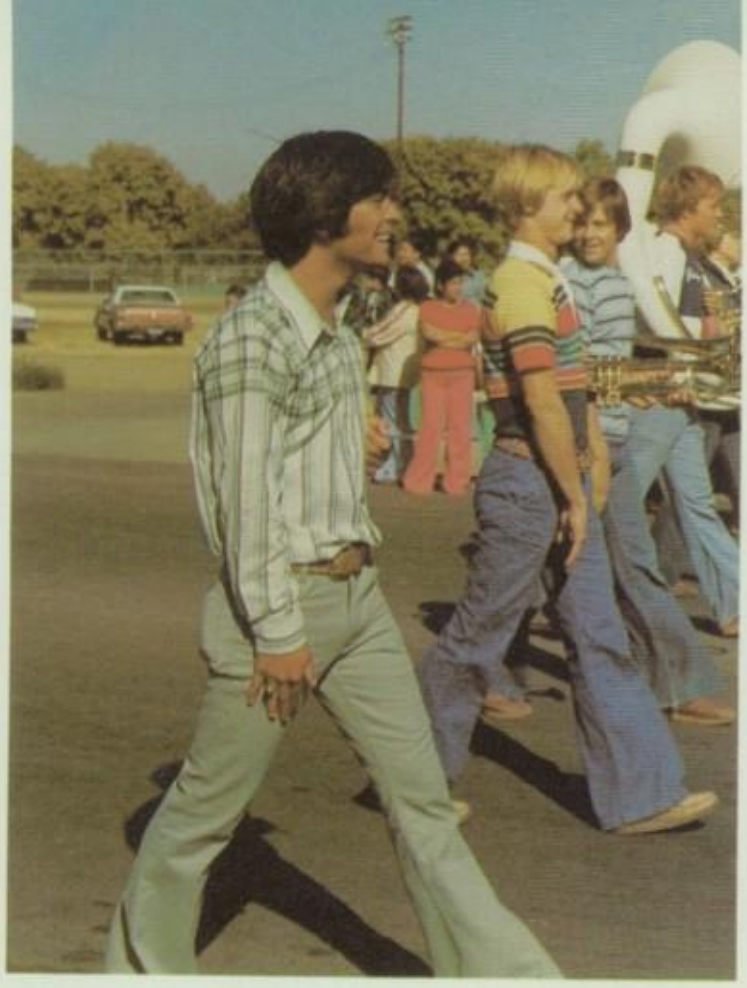
   "Everyone's favorite flame"



1977-78 was the year we showed unity. No title was too large to claim. Our band received numerous awards along with our majorettes who placed first in Long Beach. The Varsity Football team, Cross-Country team, J. V. Volleyball team all won West Sierra League titles. We also won third place in the Most Popular High School Contest in San Joaquin Valley. Numerous times we showed that Firebaugh High School was not so small after all. In the years to come we will continue to be The Most Spirited Award Winning School around!

SOAR THROUGH THE SKY!

HOMECOMING

Monday, November 7th, was the beginning of Homecoming Week. It was Hobo Day, and during the lunch hour there was a tug-of-war contest to see which of the four classes would win. The Juniors came up winners every time!

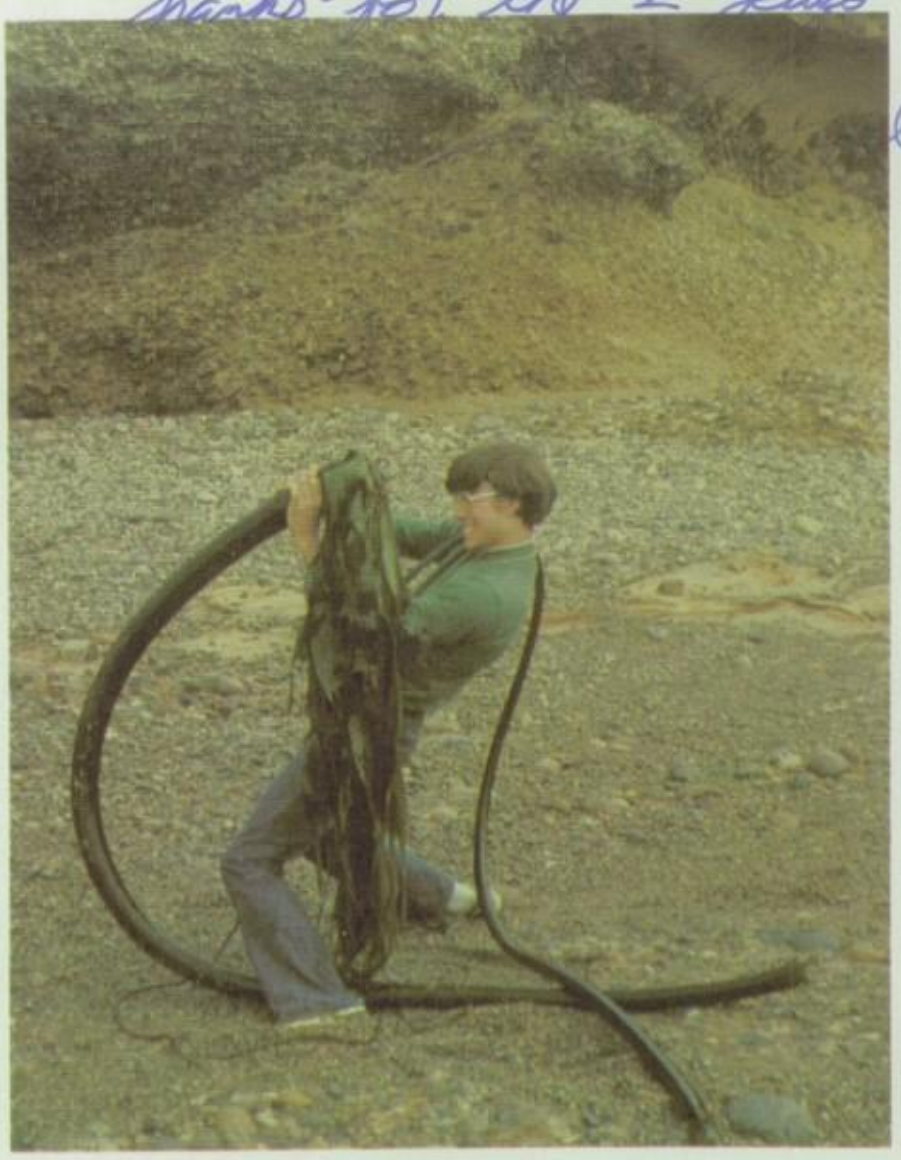
November 8th was 50's day and everyone had a good time at the sockhop.

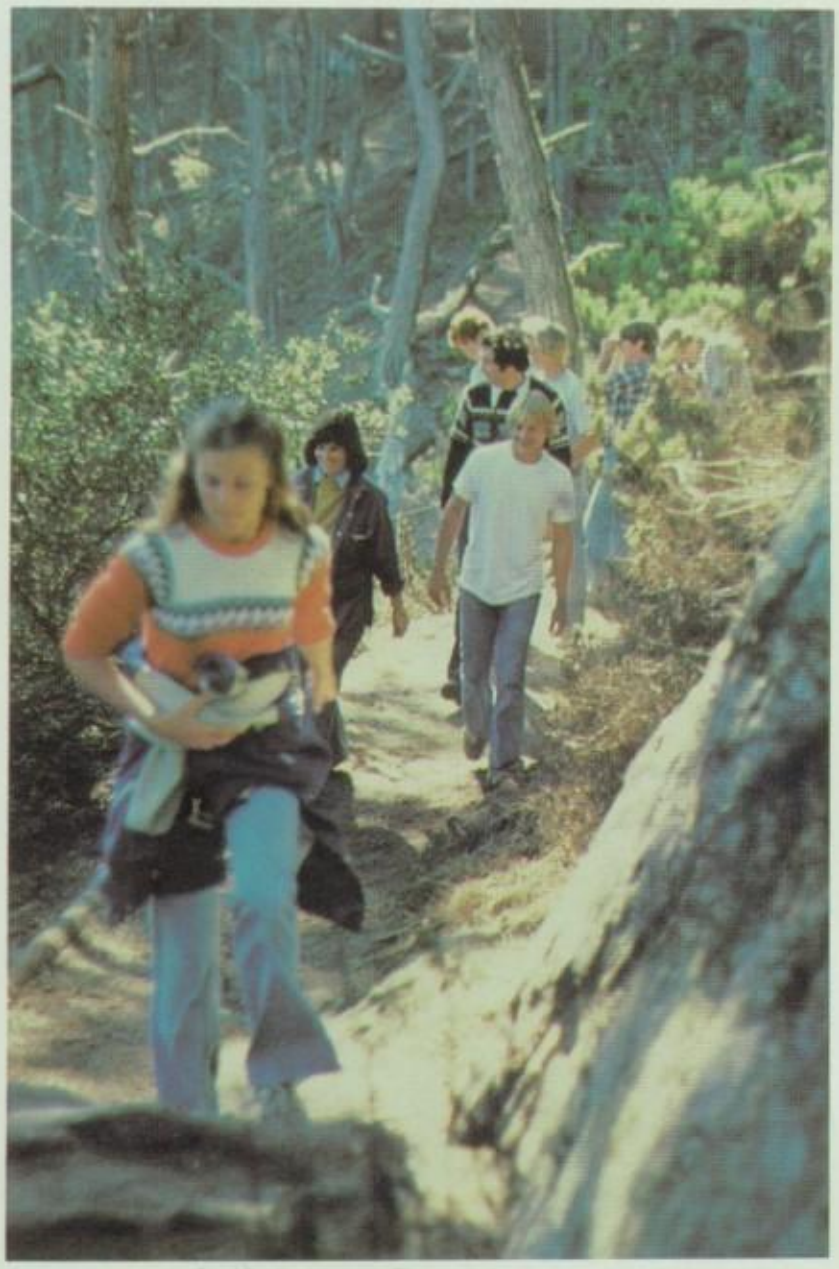
On Thursday, November 10th, the last day of Homecoming Week, a lot of people showed their spirit by wearing the school colors; red, white, blue.

The Homecoming game was Victorious against the Orosi Cardinals. Mr. Wilson and his wife jumped from 7500 feet high on parachutes. He came down landing on the 48 yard line with the game ball. His wife landed on the 45 yard line. The score was 33 to 12. Claudia Cunha and her court reigned over the game. Cheryl Kyle, last year's Homecoming Queen, also participated in the parade.

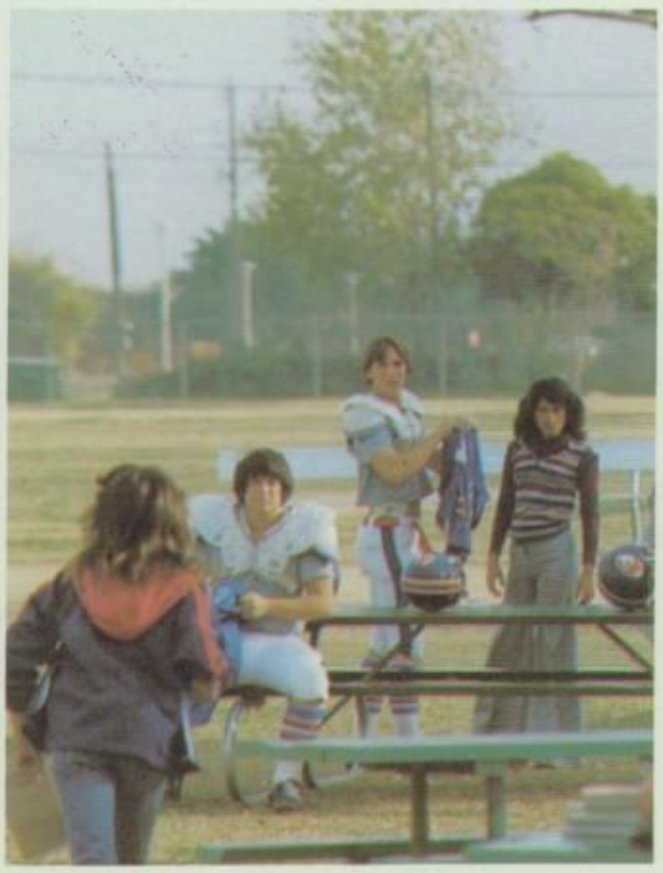
FLY AND BE FREE!

Crazy to the end
Thanks for the 2 years





Firebaugh High School students traveled to many places during the year. One trip they took was to the Point Lobos Reserve. Mrs. Mannix took her Chemsitry class and Bio. II students from the last two years. While at Point Lobos they studied the ecology of both the land and sea communities. Of particular interest were the rare Monterey Cypress overlooking the Pacific Ocean. The only strange experience they had was when David Thorpe was challenged by a giant kelp to a wrestling match.



EAGLE LAKE

Construction crews were successful in completing installation of 1,600 home side seats at Firebaugh High School's new Eagle Stadium in time for the home football game against the Tranquillity High Tigers on October 14, 1977.

The master plan for Eagle Stadium includes seating for 3,000 spectators, lighting, restroom and concession facilities, press box, a 9-line 400 meter track, and landscaping. Upon completion of the total project, the community of Firebaugh will be the proud possessor of one of the San Joaquin Valley's finest high school athletic stadiums.

We acknowledge that the very existence of Eagle Stadium is a tribute to the many citizens of Firebaugh who gave so generously of their labor, equipment, and money to construct the virtually enclosed stadium berm in early 1977. Without their support, Eagle Stadium, as we know it, could not have become a reality.

The 1977-78 Eagle Basketball team could best be described as small in physical stature but immense with pride and desire. After a mediocre preseason (5-5) the Eagles began West Sierra League play by getting their act together and knocking off favorites, Caruthers and Lindsay, in successive big games. The drive toward a valley playoff birth continued until the final week of the season when a heart stopping loss at the hands of the Orosi Cardinals (70-67), ended their playoff dreams.

Finishing the season at 11-9 the Eagles can be proud of their efforts.

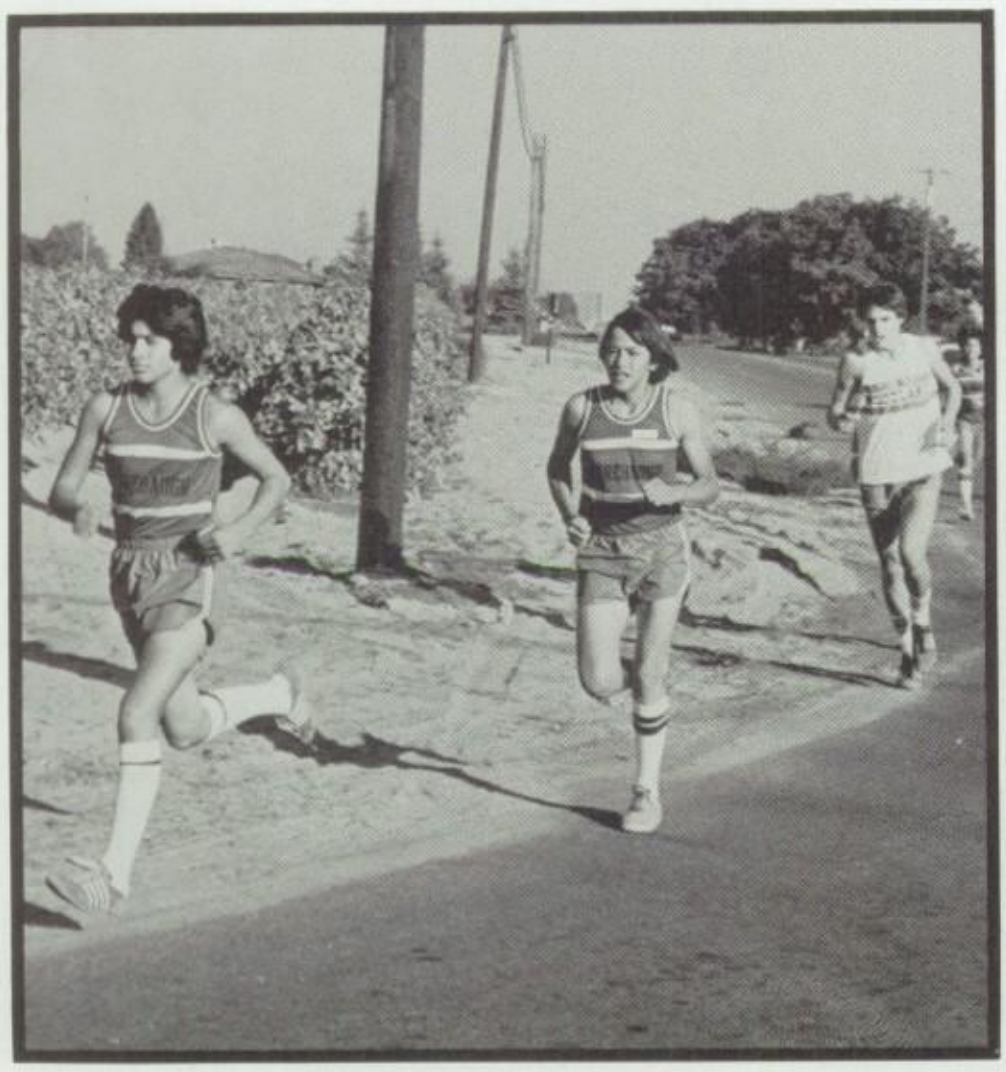
WEST SIERRA LEAGUE CROSS-COUNTRY CHAMPIONS

Standing L. R.: Coach, Darrell Darnell; Johnny Alaniz, Joe Garcia, Steve Perry, Randy Anderson, Mario Coronado, Allen Perkins, Pete Thompson, Kim Chul, Ricky Patlan, Bill Scott, Steve Vasquez. Kneeling L to R.: Ramior Rodriquez, Rick Navarrette, Carmen Acosta, Steve Ovalle, David Ruiz. Not pictured: Tim Hilburn

Kim Chul battles past Caruther opponents.

This year's Varsity Boys' Cross-Country Team made Firebaugh High history by winning the first league title. They finished the year with a league record of four wins and no losses. The big meet of the year was when Firebaugh out-dueled Woodlake by one point. Ramiro Rodriquez was chosen Firebaugh's Most Valuable Boy runner-of-the-year, and Carmen Acosta was the Most Valuable Girl runner-of-the-year.



David Ruiz and Johnny Alaniz stride past a Woodlake runner.

This year's Winter Sports Banquet speaker was the defensive coach for U. C. L. A., Ed Kezirian. Two sports were honored at the banquet, football and cross-country. Cross-country will always be known as the first squad to bring home a league title to Firebaugh High. Through many hours of grueling practices with Coach Darnell the team made us an up and coming power in cross-country. Taking top honors in the cross-country were, Varstiy Girls Most Valuable Runner, Carmen Acosta; Boys Most Valuable Runner, Ramiro Rodriquez; Most Improved, Steve Ovalle, and Eagle Award, Bill Scott.

Football, the biggest, most exciting sport at most high schools, will be looked upon as a year of triumph and defeat. Coming off of a perfect year in '76-'77 the players and coaches felt pressure. Last year Firebaugh was the only undefeated team in the valley so they had a reputation to uphold. The Eagles went into the preseason listed as #8 in the valley's top-ten, in the Fresno Bee. The games that will be the toughest to forget are Edison and Woodlake. The team had many heartbreaks during the season but none big enough to kick the Eagles down. The season ended up 7-1-2 overall and 4-0-1, which gave the Eagles the title of Co-Champions of the West Sierra League, sharing the title with Woodlake. John Chambers, head coach for the Eagles, was chosen Coach-of-the-Year 1977. All league team members, are Johnny Elizalde, Donald Zoffka, Steve Chandler, Mark Street, Frank Martinez, Ralph Flores, Jim Hill, Johnny Perez, Morris Kyle III, Bob Johnston, Neal Friesen, Albert Gonzales, and David Dixon. The Eagles, after only two years, have an unbelieveble record of 15-1-2, undefeated in '76 and co-champions in '77. The Eagles are losing a large and very talented amount of seniors but they will be leaving behind a young and very experienced team. With all the community's support and the team's will power, Eirebaugh High's Eagles are bound to do a job again in '78

Good luck to you, the future Eagles of Firebaugh High School!

WRESTLING: J. V. Most Improved, Manuel Rodriquez; Varsity Most Valuable, Chris Tatarakis; J. V. Most Valuable, Jose Rodriquez; Guest Speaker, Boyd Grant; Varsity Eagle Award, Robert Franklin; Varsity Most Exemplary, George Ponce; Varsity Coaches Award, Rick Navarrette; Varsity Most Improved, Terry Hunt; Not pictured Eagle Award, Restitudo Rodriquez.

Boyd Grant was this year's sports banquet speaker. The night was spent honoring the atheletes of Firebaugh High for their individual and team accomplishments. The Wrestling team had a fantastic season finishing high in the West Sierra League standings.

The Eagles Varsity Basketball team ended the season in third place this year. They lost many of their games by just one point. Jimmy Hill and Neal Friesen were chosen all-league, and Mark Street was selected for honorable mention.

The Eagles' J. V. Basketball team had many exciting games during their season, while the Freshmen Basketball team struggled along learning and having a lot of fun under the coaching of Coach Isetta.

VARSITY BASKETBALL: Team Award, Rusty Reed; Best Offensive Player, Neal Friesen; Guest Speaker, Boyd Grant; M. V. P. Jim Hill; Eagle Award, Mark Street; Best Defensive Player, Herman Friesen.

JUNIOR VARSITY BASKETBALL: Best Offensive Player, Craig Guilliams; Eagles Award, Tony Vallejo; M. V. P., Allen Perkins; Best Defensive Player, Morris Kyle III; Most Improved, Jessie Kear; Not pictured, Frosh M. V. P., Rick Patlan.

FACULTY VS VARSITY

This year's game could not have been any closer. With the Faculty leading at the end of the half, the Varsity decided to go to work. At one point the Varsity lead by as much as ten points. Then the Faculty, lead by Mr. Hayden's superb shooting made a miraculous come back in the final seconds to outscore the Varsity 56-55.

I hope these pages helped you to remember this past wonderful and memorable year. The year 1978 brought a considerable amount of good memories and news along with a few disasters.

I can remember being scared my Freshman year. I thought I'd never make it through the year. Now the days seem to have slipped by faster than I could ever have expected.

It has been a fun and enjoyable year. My thanks to to Miss Jimenez for her helpful editorial advice that helped me through those times we had deadlines, and weren't quite ready! Thanks also to Mr. Kyle who made this yearbook possible and to this year's annual class whose help was immeasurable.

As the school year comes to a close, I hope all our dreams of the future will become a reality. I leave Firebaugh High School with this thought in mind, "Experiences and memories are something that should not be left behind." I hope they are as valuable to you as they are to me.
